Our Garden

It is Saturday. The sun is shining, the wind is not blowing, but there are some clouds in the sky. The weather is warm and nice.

The Browns are in the garden. They are working as they usually do at the weekend. On weekdays they are very busy so they don't work in the garden. Mr Brown works in the hospital as a doctor, Mrs Brown teaches at the university. Their children Tom and Jane study. They have a dog called Barney. He often sleeps in his kennel and watches their house. But now he is playing with his favourite ball.

There we can see Tom. He is climbing up the tree and picking some apples. He is putting them in the big basket.

Jane is watering some flowers. She doesn't water them every day.

Mr Brown usually cuts the grass but today he is doing nothing because he isn't feeling well. He is sitting at the table and drinking tea.

Mrs Brown often spuds her beds but at the moment she is preparing meal for her family.

They all are happy and they like their garden.
