The Mysterious Story

Dylan Cage is a student of grammar school. He lives with his parents and younger brother in Brighton. Their house is in the quiet street. He is sixteen and he enjoys sports. Dylan is good at football and he practises it three times a week. At the weekends he usually tries to win some of the school matches.

The Mysterious Story

The other secondary schools compete against themselves at the school league. Dylan has to learn for school in his free time. One day he was going to play his football match. Early in the morning his parents and brother went to visit their grandparents. So Dylan stayed at home alone.

The Mysterious Story

Dylan turned on the radio, had breakfast, cleaned himself and prepared the things for his match. It was 10 a.m. when he left their house. For a while he looked at the neighbours' house. Some strange people walked around it. But he didn't know them.

The Mysterious Story

Dylan had a lucky day because his team won the match! He arrived home, he was hungry so he went to the kitchen, opened the fridge and turned to the window. Suddenly he saw a light. Somebody was in the neighbours' house! Dylan didn't know what to do so he.....

Decide if the statements are true or false

- a. Dylan goes to secondary school.
