

Task 4 - **deadline 22nd December 2010**

True or False

To understand the text means to be able to see the links and connections among words, word-chunks and sentences. Read Chapter 1 from the book *The Mind Maps* by David Morrison and decide whether following statements are right, wrong or we can't find them in the text.

	True	False	Don't know
Eva lives in a town called Santa Marta.			
Lucho has got brown eyes.			
Lucho has found his answer in the history book.			
A mind map has got one big circle with four lines.			
<i>Guaca</i> is the name of gold objects sold in Columbia by collectors.			
Silva is Pablo's surname.			
Lucho and Pablo are friends.			
Lucho often helps Pablo with his homework.			
The bell made the rest of class run away.			
A yellow bird flew away because of loud noise.			
A mind map is an inseparable part of homework.			
The students have to write their homework at the weekend.			
Eva has been waiting for Lucho in the class.			
Eva wants to meet Lucho at the weekend.			
The idea of spending an hour together with Eva Villa makes Lucho excited.
