Hi!
How are you? I'm on holiday in Australia and I'm having a great time. I've met some nice people and I've done a lot of things. We've played beach volleyball and we've swum in the sea for many times. I've also ridden a horse and I've tried surfing. I've tried a bungee jump but it was scary. Tomorrow we're going to climb a small hill and go surfing. I'm looking forward to these activities!
